Colleen-

Can you take the lead on getting back to this person? I assume that I got it as well due to Rosemont review, but am hoping the initial communication you can take the lead on? ☺

Thanks!

Jeff

Subject: Introduction

Dear Mr. Blumenfeld,

I wanted to write a note to introduce myself I am a business man in Phoenix Arizona who also runs the Canada Arizona Business Council which is a Nonprofit dedicated to increasing business relationships between Canada and Arizona on a bilateral basis. In Arizona we have many Canadian companies in the Water business, and the Mining business and to that end I wanted to make sure we had an open dialog with the EPA decision makers for this region.
